Sir,

Med. 80-28-1.

I have the honour to state that of late, the President, District Board, Hassan, is moving the ~~local~~ Village Panchayets to contribute towards the cost of house rent of the local Dispensary buildings and staff quarters. Recently, the Amildar of Arsikere Taluk has reported a case of the Gandasi village Panchayet and has sought instructions whether the expenditure on this account can be allowed, in view of the fact that the resources of the Panchayets are very poor just now. It would be very hard for the Panchayets in many cases, to bear any charges on this account. Further, I am doubtful whether it is obligatory and necessary to provide free quarters to the Medical staff or grant them house rent.

In these circumstances, I request the favour of instructions in the matter. In case it is obligatory, to provide free quarters for the medical staff, I would suggest that the charges on that account may not be levied from Village Panchayets for some time to come, but may be met by Government or Government and District Board.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.

Sir,

1) I have the honour to forward for the orders of Government a copy of letter No.R.O.C.459-98, dated the 19th September 1928 received from the Deputy Commissioner, Hassan District, about the contribution of the Village Panchayeths towards the house rent, in respect of the Temporary dispensary buildings and Staff quarters, in the Hassan District.

2) I may note that the opening of six dispensaries on a reduced scale in this district was sanctioned in Government Order No.G.9580-5/Med.24-27-1[illegible] dated 18th February 1928, under very urgent demands from the District Boards. The Boards considered the urgency so great that as a special case, they were prepared to bear the entire cost of the maintenence of these institutions upto the end of the year 1927-28. No question as to who should pay the rent of the dispensary as well as of the staff quarters was ever raised.

File put up with D.No. 1053.

3) The necessity for the provision of staff quarters, free of rent, considering that the pay of the Sub Assistant Surgeon is only Rs.35/- and [illegible] that all such dispensaries are stationed in the interior Mofussil villages, is absolute. In the absence of an incentive of free quarters, it would perhaps be impossible to man these dispensaries. At the same time, the contention that the Village Panchayets which have just started should not be put to any undue financial strain, seems also to be reasonable. In my opinion, the District Board should bear all such incidental expenditure themselves, until the Panchayets can reasonably be expected to take up their share of expenditure without prejudice to their activities in other essential directions.

I have the honour to be, Sir,
Your most obedient servant,

M Mamon
Senior Surgeon.

Bangalore, 19th November 1928.

To

The Deputy Commissioner,

Hassan District,

HASSAN.

Sir,

With reference to your letter No. - R.O.C.59-28, dated the 19th September -- 1928 about the payment of house-rent to the Hospital Staff of certain dispensaries newly established in the District, by the Village Panchayets of the respective places, I am directed to state that the payment of any contribution towards the cost of medical relief is not obligatory on the part of the Village Panchayets. - But in case any Panchayat comes up voluntarily with its contributions towards the cost of medical relief, it does not appear - desirable to discourage or prevent them from doing so.

I have etc.,
